

**Russian
Gay Leader
to Speak
in Chicago!**
at the

**9th Annual
Matthew Shepard March
for LGBT Freedom**

8 PM, Saturday, October 6
Corner of Halsted & Roscoe Streets, Chicago

Nikolai Alexeyev has courageously led the organizing of Russian LGBT people, braving government repression, physical assaults by fascists, and the vicious opposition of all major religious denominations in Moscow.

In addition to facing charges for organizing Moscow Pride, now he is facing charges from a stridently anti-gay, politically connected leader of the Duma, Russia's parliament.

Chicago's **Gay Liberation Network** is proud to sponsor Alexeyev's first-ever visit to the United States.
