# "Ex-Gay" Fraud

## Invades Chicagoland

Exodus International, which says it uses Christianity to "cure" people of homosexuality, is holding its big annual convention in the Chicago suburb of Wheaton, IL this year.

***Please join the protest against them:***

**6:30 PM, Tuesday, July 14**

**500 College Street, Wheaton, IL**

*Transportation being organized from Chicago – email [LGBTliberation@aol.com](mailto:LGBTliberation@aol.com) for info.*

Exodus International's attempts to "change" LGBTQ people are psychiatric quackery. Every major, relevant professional association has denounced Exodus's efforts as potentially very damaging to the very people they claim to "help."

**They say they "love" us, yet their fake attempts to change LGBTQ people into "ex-gays" is rooted in their hatred of us.** They oppose all of our civil rights – equal employment, housing and access to public accommodations, and one of their board members even traveled to Uganda recently to endorse a vicious law which makes gay sex punishable by life imprisonment.
